Our garden

We have been lucky enough to spend some afternoons in our gardens already this year. We are hoping to spend many more with an ice cream as well. Whilst we have been in the garden many residents have remarked on our beautiful hanging baskets and window boxes.

Birthdays

Our birthdays for June include;

Mrs. Rhona Wenham, Mrs. Elsie Jones, Mrs. Marjorie Nunn, Mrs. Judy Hayden and Mrs. Marjorie Stonely.

Art Club

During our last meeting we decided to work with canvas but used felt pens to replace paint as it was less messy!! There were some stunning works of art produced that are now proudly hanging in their rooms. Any live models out there are welcome to put their names forward!!

Lunch Club

During our last outing 7 of us set off to our favourite place the Coastguard tea rooms in Fairlight. We were very disappointed to find that they were closed. However, Graham decided to take us to Pett and we visited a pub called the Smugglers. We were a little apprehensive at first as we had never been there before but they made us very welcome. We had a table set up for us and the meals were lovely, but big portions. All of us enjoyed and agreed that it is a place that we would like to re visit. The staff at the Smugglers was very attentive and hoped to see us again in the near future.

Mini Bus

We are very lucky to have access to a mini bus and be able to attend these places to visit. For those of you who are unable to get into this bus we can at a cost request a wheelchair accessible taxi to allow you to go on these afternoon trips. Thanks must go to Graham who drives us every fortnight for his attentive service!!

We are planning to visit Marks and Spencers at Glyne Gap and also a trip to the Seafront to indulge in an ice cream.

Resident Fund

For those of you who are unaware about our fund that we raise money for throughout the year for our resident's I thought I would give you some background into this. All proceeds for coffee mornings and events held the monies gained from these are paid into an account and during December we use this for daily entertainment leading up to Christmas. Also half of our bonus ball money is paid in to it as well; there are some spare numbers if anyone wishes to join us. Please continue to support us and our residents's and give praise to the staff that give up their free time to help at these events which they are not paid for.

Gardening club

We have had our first meeting which was very successful with Phil telling us about the garden and plans that he had for the future. We will continue with this club weekly and any ideas will be welcome.

Manager's moment

Only a small piece from us this time. Please remember to drink plenty in the hotter months to come. If there are any clubs or interests you have please come to see us.
