### [A date for your diary](#)

On Tuesday 18th July we are holding a 60s themed afternoon. We will be entertained by Jim and Natalie from Full Beam at 3.30pm and a Barbeque will follow. There is a charge of £7.00 per person for this event and it will be strictly names given into Keith or Sandra only by June 30th. This is for catering and health and safety reasons and there will be **NO** exceptions to this. Please let us know if you wish to attend in advance to avoid disappointment.

### [Our year tree](#)

Many of our afternoons we have made items for our tree with more recently Easter eggs and chicks to celebrate Easter. We have now turned our tree into a Maypole to celebrate May Day soon we hope to enter into the summer theme.

### [Art Club](#)

We have now started an art club as many of our residents enjoy painting. Our first attempt we used cotton buds to paint with stunning results. Our next project will be painting on canvas. **Any of you wishing to paint still life will need to supply their own model!!!**

### [Gardening club](#)

Many of our residents really enjoy our gardens so we thought that with this in mind we would commence a club to encourage this. Phil our gardener is holding this activity starting Monday 22nd May at 1.30pm. It will be every Monday thereafter. This will be held in Valley View lounge weekly.

### [Manager's moment](#)

As you can see it has been an extremely busy time at Mountside as we have introduced two new clubs in addition to our lunch club. We really try to embrace previous hobbies and attempt to provide varied activities that capture our resident's interest.

We hope that you will agree that we hold many meetings and events within Mountside any really do try to cater for all tastes. If we have missed anything that you would enjoy to participate in then please let us know.

We have also purchased a tablet for entertainment/activities. Shelagh will be able to connect you to the internet or play games as well. Any questions that you may wished to be answered you will be able to look up yourself. There is also the option of taking photographs when you are out and about in the mini bus.
